Lesson 6

Put the sounds together to make a word.

Name: _____

Date: _____

FOR GROWN-UPS: HOW TO USE THIS SHEET

- YOU read the grey sounds on each row, slowly, with a small gap: c... a... t.
- Your child says the whole word, then circles its picture.
- If they're stuck, say the sounds again a little faster each time.
- No letters for your child: this is all listening.

1 Robot talk

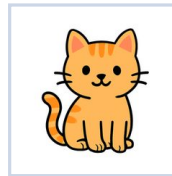

Your grown-up talks like a robot. Put the sounds together and circle the picture.
