

Blending practice

Lesson 89

Say each sound, then push them together.

Name: _____

Date: _____

FOR GROWN-UPS: HOW TO USE THIS SHEET

- Point under each sound as your child says it, then sweep your finger along the word.
- If your child is stuck, say the sounds a little faster each time until the word pops out.
- For the sound boxes, say the word; your child writes one sound in each box.
- Praise the blending, not just the right answer.

1 Read the words

Read each word out loud. Tick the box when you've read it.

☐ pure

☐ cure

☐ fury

☐ cures

☐ pass

☐ six

2 Sound boxes

Your grown-up says the word. Write one sound in each box.

six

(six)
