

New sound: oi

76

Lesson 76 of 83 (ages 3-6) / 70 of 77 (age 7+) · Vowel Teams & Tricky Words · Ages 3-7+ · about 10 min

GOAL

Your child can say /oi/ when they see "oi", and hear it in words like coin.

WHY IT MATTERS

"oi" is 2 letters that make ONE sound. Seeing them as one unit stops your child reading the letters separately, and unlocks words like coin, oil, join.

YOU'LL NEED

- The practice sheet for this lesson (worksheet.pdf) and a pencil or crayon.
- The lesson page on a phone or tablet, for the sounds and games.

LESSON FLOW about 10 minutes

1 min

Warm up

Quick flash of the last sounds: write "ow", "ur", "or" on paper, point, and your child says each sound.

SAY

"What sound is this? And this one?"

2 min

Listen

Play /oi/ on the lesson page three times. Your child watches your mouth and copies.

SAY

"This is /oi/. Watch my mouth: start round, open to 'ee'."

2 min

Show how

Show the letters "oi" and the action: Cup hands around mouth saying oi! Oi! Oi!. Then tap the words on the lesson page.

SAY

"When I see oi, I say /oi/. coin: /oi/ coin!"
"Two letters, one sound. They're best friends: they always stick together."

2 min

Do it together

Sound hunt: find 3 things at home with /oi/. Then do the trace-and-write part of the practice sheet. Read together: coin, oil, join, boil, soil, point.

2 min

Play

Play the games on the lesson page: hear /oi/ and tap its letters.

1 min

Wrap up

Ask your child to teach the sound and action to someone else in the family.

SAY

"Can you show Grandma our new sound?"

HEAR IT, FIND IT

Say the sound (not the letter name). Your child points to the letters. Tick first-try answers.

#	SAY / SHOW	CHOICES	ANSWER	
1	Say /oi/	oi, ow, ur	oi	☐
2	Say /ow/	ow, oi, ur	ow	☐
3	Say /ur/	ur, oi, ow	ur	☐

WATCH FOR common mix-ups and what to do

Says the sound too quickly to hear.	-> /oi/ can be stretched: hold it like a long note, oioioioi, then let go.
Reads the letters one by one (o-i).	-> Put one finger under both letters at once: "these two make one sound".
Forgets the sound the next day.	-> Normal! Repeat the action and the keyword daily for a week: the action is the memory hook.

TOO HARD? MAKE IT EASIER

Only do the listening parts today: hear it, say it, find it in pictures. Save the writing for tomorrow.

TOO EASY? MAKE IT HARDER

Read these words and then write two of them from memory: coin, oil, join, boil, soil, point.

HOW DID IT GO?

MY CHILD CAN...

- ☐ Says /oi/ when shown "oi".
- ☐ Hears /oi/ in a word you say (coin).
- ☐ Writes "oi" as one sound unit.
