

New sound: oo

68

Lesson 68 of 83 (ages 3-6) / 62 of 77 (age 7+) · Vowel Teams & Tricky Words · Ages 3-7+ · about 10 min

GOAL

Your child can say /oo/ when they see "oo", and hear it in words like moon.

WHY IT MATTERS

"oo" is 2 letters that make ONE sound. Seeing them as one unit stops your child reading the letters separately, and unlocks words like moon, food, zoo.

YOU'LL NEED

- The practice sheet for this lesson (worksheet.pdf) and a pencil or crayon.
- The lesson page on a phone or tablet, for the sounds and games.

LESSON FLOW about 10 minutes

1 min

Warm up

Quick flash of the last sounds: write "oa", "ee", "ai" on paper, point, and your child says each sound.

SAY | *"What sound is this? And this one?"*

2 min

Listen

Play /oo/ on the lesson page three times. Your child watches your mouth and copies.

SAY | *"This is /oo/. Watch my mouth: small round mouth, long 'oo'."*

2 min

Show how

Show the letters "oo" and the action: Move head as if watching a cuckoo clock saying oo-oo-oo. Then tap the words on the lesson page.

SAY | *"When I see oo, I say /oo/. moon: /oo/ moon!"*
"Two letters, one sound. They're best friends: they always stick together."

2 min

Do it together

Sound hunt: find 3 things at home with /oo/. Then do the trace-and-write part of the practice sheet. Read together: moon, food, zoo, tool, cool, boot.

2 min

Play

Play the games on the lesson page: hear /oo/ and tap its letters.

1 min

Wrap up

Ask your child to teach the sound and action to someone else in the family.

SAY | *"Can you show Grandma our new sound?"*

HEAR IT, FIND IT

Say the sound (not the letter name). Your child points to the letters. Tick first-try answers.

#	SAY / SHOW	CHOICES	ANSWER	
1	Say /oo/	oo, u, oa	oo	☐
2	Say /oa/	oa, o, oo	oa	☐
3	Say /ee/	ee, e, oo	ee	☐

WATCH FOR common mix-ups and what to do

- | | |
|--|---|
| Says the sound too quickly to hear. | -> /oo/ can be stretched: hold it like a long note, oooooooooo, then let go. |
| Reads the letters one by one (o-o). | -> Put one finger under both letters at once: "these two make one sound". |
| Mixes up /ool/ and /ul/. | -> Same starting mouth shape — "oo" is held longer instead of stopping short. |

TOO HARD? MAKE IT EASIER

Only do the listening parts today: hear it, say it, find it in pictures. Save the writing for tomorrow.

TOO EASY? MAKE IT HARDER

Read these words and then write two of them from memory: moon, food, zoo, tool, cool, boot.

HOW DID IT GO?

MY CHILD CAN...

- ☐ Says /oo/ when shown "oo".
- ☐ Hears /oo/ in a word you say (moon).
- ☐ Writes "oo" as one sound unit.
