

Blending Word Flashcards for the 83-Lesson Plan

92 double-sided cards · 3.5 x 2.5 in (8.9 x 6.4 cm) · 4 cards per page

92 fold-over word cards: every blending word from the 16 blending lessons of the free phonics plan (including the two consonant-blend lessons), in teaching order, with sound buttons on the back.

HOW TO MAKE THE CARDS

- 1 Print at 100% ("Actual size", not "Fit to page"). Check: the square below should measure exactly 1 inch.
- 2 Use cardstock (160-200 gsm) if you can. Plain paper works too.
- 3 Cut along the solid gray outline of each pair.
- 4 Fold on the dashed line so both printed sides face out. Glue or tape inside.
- 5 Punch the circle and add a binder ring to keep the deck together (optional).

If this square isn't exactly 1 inch (2.54 cm), turn off "Fit to page" and print again.

HOW TO PLAY

- Use each lesson's cards on the day of that lesson (the lesson number is on the card).
- Front: read it. Back: check the sounds (t · i · n) and the picture.
- Keep a "can read" pile and a "practice" pile; move cards across over the week.
