

Halloween Words — Write & Read

Spooky words from the halloween-phonics-activities guide, sorted easiest to trickiest — from simple CVC through digraphs, vowel teams, and silent letters.

Name: _____

Date: _____

How to use this worksheet

- 1 Some words are split into two red chunks (like b - at) — say each chunk out loud, then blend them together into one word.
- 2 Longer or trickier words are shown whole — just read them normally.
- 3 Write the complete word on the blank line.
- 4 Check your spelling against the printed word once you're done.

Example — this is what a correct answer looks like:

b - at -> bat
